No PTO fees!

This year PTO board voted on removing PTO membership fees. The reason for this change, although we lose income, was to ensure **every** parent is a member. Privileges and opportunities are shared by every parent. So the board hopes this change urges you to step up and share the experience we have to offer with your beautiful children

BACK @ INTAC!

Welcome to INTAC and PTO's first 2011-2012 newsletter! Thank you dear parents for all your support during our first few months of school. The PTO board is well on its way towards progress with new ideas, greater involvement, and stronger communication.

PTO Board Updates...

We were able to reach out to parents and share our prospective calendar. We also took about 30+ votes from parents that there should be after-school enrichment. The top choices were Chess and Stories of our Prophets. InshAllah, PTO will try to get approval and begin these programs very soon!

PTO shared cookies with the students to celebrate Eid. But the real treat was Chuck from Chuck E. Cheese! He made a visit to INTAC to promote our Eid Party! 108 children attended and we are waiting for 15% of the profit to arrive!

MORE FUN!

We also enjoyed our Skatetown USA *FUN*draiser! We raised \$505 in entry fees and sales of Native Deen cds & yearbooks.

We are Selling:

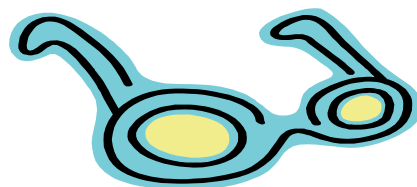

- 2010-2011 Yearbooks
- Native Deen Cds: Albums 1&2-\$5; 3-\$10
- Native Deen Music Video DVD \$5
- INTAC Cookbooks \$15
- Dr. Foad's Books (3 titles) \$5 each

Money Matters

We are still transitioning from last year's PTO fundraising efforts and have conducted a PTO Board meeting discussing budget options. We want all parents to know how much we have, are earning and where it is being spent. Our budget includes two main goals: INTAC Stage & Drapes and PA System. We raised almost \$2500 for the PA System and still need \$12,000. the stage will cost about \$1500 as well. **We are always hoping for donations and work very hard to raise funds.** PTO money is used on Islamic & Arabic Studies textbooks, Field Day, Quran competitions, Yearbook, Functions, refreshments and appetizers for various occasions, and much more.

Look OUT for...

SEPTEMBER 30th 7-8 pm: PTO Open Forum: Voice your opinion, ideas, comments and concerns. Please bring a desert to share with other parents. Refreshments will be sponsored by the PTO board.

MID OCTOBER: We want to open a *drive-thru* before and after-school for parents on the go and hungry kids rushing off to after school activities! We earned ICGC's approval and can't wait to start. We are looking for parents to volunteer from 8:20-8:50am shift or 3:30-3:45 shift to help sell coffee/tea, drinks and snacks.

OCTOBER 31st: Game Night & Eid Bazaar One of our biggest *FUN*draisers! \$5 per family entry fee. We purchased big family fun games and will have Rolling Video games come with their huge truck filled with flat screen TVs for video games! Dinner and desert will be sold as well! Invite EVERYONE!
