Registration and Supplies & Materials Fees: Registration and supplies & materials fees are due prior to the start of the school year. Registration and supplies & materials fees may not be included in the installment plan. The following are the registration and supplies & materials fees for the 2019-2020 school year.

Registration Fee: New Student \$200 / Returning Student \$175

Supplies & Materials Fee: \$125 (*pay by separate check to INTAC Activity Account*)

Tuition Payment Options: Your tuition obligation is due on August 2, 2019. You may choose one of three payment plans. You may pay the entire Academic year amount on or before August 2, 2019 and receive a 3% discount on tuition, or you may choose to pay in two installments or five installments. If you elect the five installment payment plan, then you will need to complete an automatic debit form to allow the tuition to be deducted from your checking or savings account. There will be a \$50.00 fee charged for any returned checks from your bank and/or late installment payments. We encourage parents to pay tuition in one payment in order to take advantage of the discount.

**ANNUAL TUITION PAYMENTS CAN BE MADE BY CHECK OR CREDIT CARD ONLY.
THERE IS AN ADDITIONAL 2.5% BANK SERVICE CHARGE FOR PAYMENTS BY CREDIT CARD.**

Financial Aid: Tuition assistance is available for full-time qualified students only. Funds are limited and distributed using the criteria stated on the Tuition Assistance Application form. If you are interested in applying for financial aid, you will need to complete a Tuition Assistance Application and submit to the Committee Chair with the required documentation.

Tuition Policy: By registering your child for the Academic school year, you are agreeing to pay the tuition for the entire academic year. Tuition may be refunded, or future obligations for tuition installment payments may be abated due to extenuating circumstances. This process can occur only upon application to and approval by the Board of Trustees of the Academy. Without Board approval, you will be obligated for the tuition for the entire academic year whether or not your child completes the school year. This obligation is necessary for efficient operation of the Academy as the Board budgets the operations of the Academy and contracts with personnel based upon the number of students registered and the tuition commitment from all registered students. Abuse of system and failure to maintain timely payments can result in dismissal of the student from the Academy.
